

ILM L5 CERTIFICATE IN LEADERSHIP AND MANAGEMENT

A course for leaders with intermediate experience or new to role.

Led by a team of established leaders, with a focus on action-driven learning and an inspiring environment in which you can thrive. We also offer the unique opportunity to have personally tailored coaching sessions.

An expectation of 130 hours study over 12 months; including directed study fitting in with your work and personal commitments; alongside direct online learning and facilitated group learning. Four assignments are submitted to receive the Certificate. Some work will need to be completed in your own time.

PLUS

Four modules make up this certificate

Assessing your Own Leadership Capability and Performance

- Understand leadership styles within an organisation
- Be able to review effectiveness of own leadership capability and performance in meeting organisational values and goals
- Be able to adopt an effective leadership style to motivate staff to achieve organisational values and goals

Managing Improvement

- To develop understanding and ability to manage quality, so as to be able to plan improvements to meet or exceed customer requirements, as required by a practising or potential middle manager
- Understand the effectiveness of the organisation and own ability to manage and improve quality to meet customer requirements
- Be able to plan and implement projects to meet, and if possible exceed, customer requirements

ILM Level 5 is suitable to all individuals or organisations who wish to promote organisational success and personal development through effective leadership.

Motivating People in the Workplace

- Understand the factors that may affect performance and motivation in the work place
- Be able to improve levels of motivation and increase performance in the workplace

AND

Delegating Authority in the Workplace

- Understand the benefits of delegation
- Be able to delegate effectively in the workplace.
- Be able to improve own ability to delegate and empower others.
